### EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Michael Stewart on 24 November 2008.

The application has been amended as follows:

Please cancel claims 19 and 20.

Please amend claim 1 as follows:

1. A medium for the detection and/or identification of a *Candida* yeast, the medium comprising: a chromogen; carbohydrate in the range 1-5 gms/litre; and an alcohol, wherein the alcohol includes at least 85 percent by weight ethanol and wherein the medium lacks a hexosaminide activator; the medium being such that growth of the *Candida* yeast under appropriate conditions results in hydrolysis of the chromogen to generate a chromophore of a derived colour which is a different colour from that generated by hydrolysis of the chromogen in a standard medium comprising the same chromogen and carbohydrate, in the same concentrations, but without alcohol.

The following is an examiner's statement of reasons for allowance: as amended on 20 August 2008 and in the amendment above, the invention claims a chromogenic medium for the detection of *Candida* yeast wherein the medium comprises little carbohydrate, no hexosaminide activators and includes ethanol, all as opposed to the various media disclosed in the prior art. Applicant's arguments regarding the combination of references, that one of ordinary skill in the art would not have a reasonable expectation of success for making the proposed changes to the commercially available products, particularly adding ethanol, is persuasive.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Lisa J. Hobbs whose telephone number is 571-272-3373. The examiner can normally be reached on Monday to Friday, 8:00 a.m. to 4:30 p.m.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jon P. Weber can be reached on 571-272-0925. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
